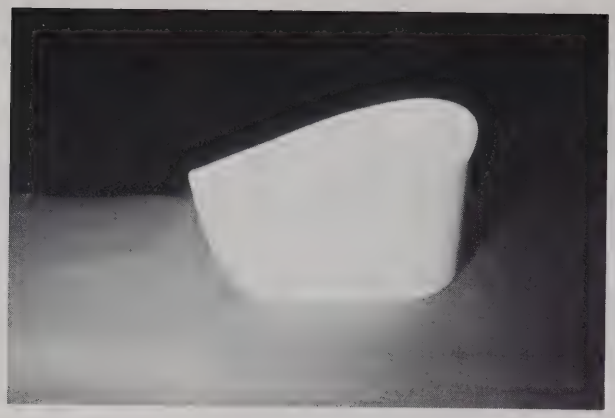
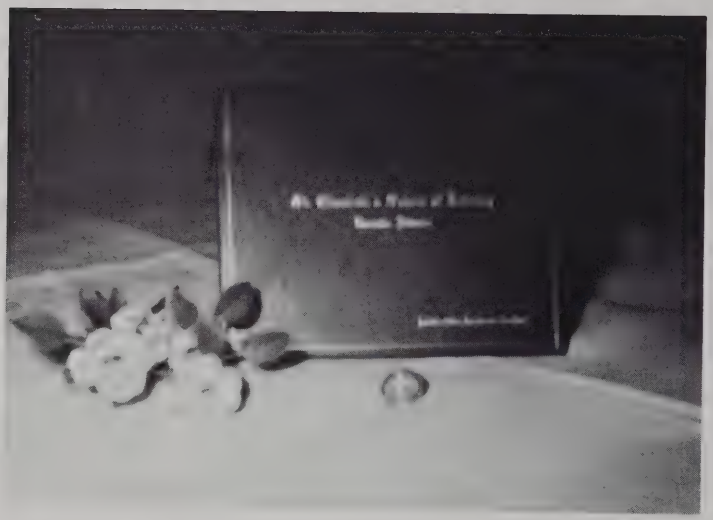
"Can I watch?"

"America's future nurses!"

"Just what I always wanted!"

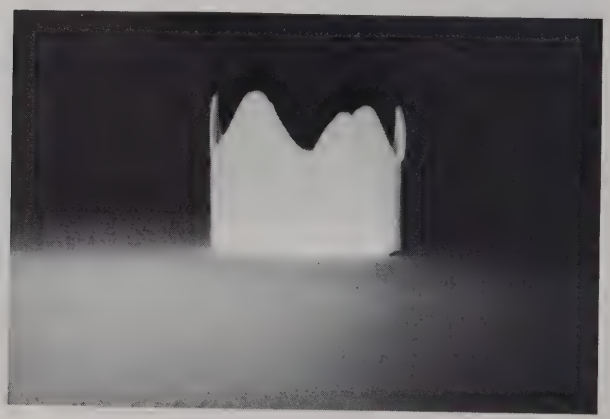


"And, too, she finds she not only wears the cap of a nurse, but that of a clergyman as she must give spiritual advice."



"Nursing is a proud vocation, yet, joy and satisfaction therein can come only from hard work. To meet these challenges, the nurse must continuously use her years of training in learning responsibility. And with it, God's love."

"One might ask that you not only love nursing, but nurse with love."



Quotations are excerpts from Capping sermon given by Father Paul Kinder.

Grant that the sick Thou has placed in my care, may be abundantly blessed, and that not one be lost because of anything that is lacking in me. Help me to overcome every temporal weakness and strengthen in me whatever may enable me to bring the joy of sunshine into the lives of those gathered around me from day to day.
